2025·首发系列

端坐空间之中，令气息与光影穿行而过

RAWSILV 无如序® 于 2025 年春季发布品牌首个系列，系列灵感来源于中国青铜戈，取其作为礼器之意，将形制归纳重构，融入现代审美与功能性，将设计语言结合当今的工艺展现旧时的悠远、神秘与庄严。

过去即异域

这一片土地，千年间的时代更迭造就了深厚的文化图层。

在层层下探之中，是遗迹、文物、文字、文化建立起与过去沟通的道路，这一道路仿佛通向异域，引导着对过去的遐想。旧日的文明虽铺垫前进的阶梯，回望却常觉遥远且陌生，仿佛另一层面上的未知与未来。

RAWSILV 无如序® 试图创建互为过去与未来的连结——入古，以古物的标志性元素、古典美学气质为源；出新，将现代设计、雕塑审美转译为家居产品，使时空与光影在线条架构与空间陈列中流转。

The past is a foreign country.

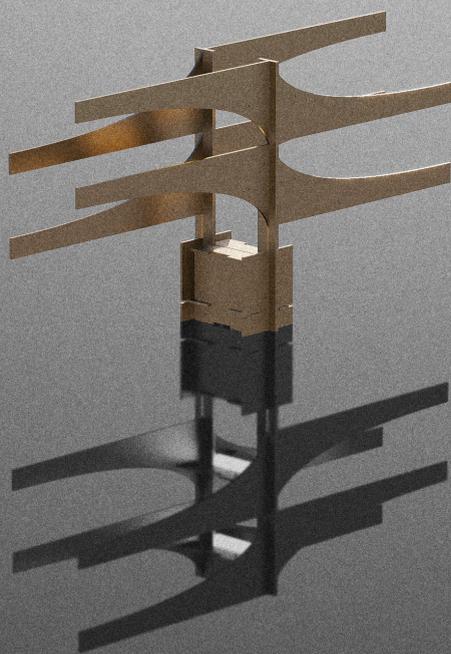

This land has witnessed millennia of changes, building a profound cultural layer over time.

Through excavations, relics, artifacts, writings, and cultures form a passage to the past—a passage that resembles a gateway to a different realm, guiding imaginations of bygone eras. Although ancient civilizations laid the foundation for progress, looking back often feels distant and unfamiliar, like an unknown dimension parallel to the future.

RAWSILV® seeks to bridge the past and the future—drawing inspiration from iconic elements of antiquities and classical aesthetics, while reinventing through modern design and sculptural language. This translates into home products where time, space, and light flow through structural lines and spatial arrangement.
